NEWS RELEASE FOR IMMEDIATE RELEASE

DR. ANNE CHAUVET SPEAKS TO FLORIDA, OHIO VET GROUPS

SARASOTA, Fla., Aug. 13, 2009 – Dr. Anne Chauvet of Veterinary Neuro Services presented educational lectures to veterinary medical groups at Ohio State University and the University of Florida.

Chauvet was invited to speak about veterinary magnetic resonance imaging (MRI) at the Ohio State University College of Veterinary Medicine's Technology In Your Practice continuing education program in Columbus, Ohio, on Aug. 8. She also will speak at the University of Florida College of Veterinary Medicine to the Veterinary Business Management Association about marketing a veterinary practice on Aug. 18.

About Veterinary Neuro Services:

Dr. Anne Chauvet, one of fewer than 200 veterinary neurologists and neurosurgeons in North America, is the founder of Veterinary Neuro Services in Sarasota, Fla. Veterinary Neuro Services treats brain, spinal cord and neuromuscular conditions in animals and is the only strictly neurology and neurosurgery practice on the Gulf Coast. It is located at 3900 Clark Rd., Building M, Unit 4, Sarasota, Fla. More information is available by calling 941-929-1818 or online at www.PetNeuro.com.
