DACHSHUND RESCUE HONORS CHAUVET FOR PRO BONO WORK

SARASOTA, Fla., Sept. 29, 2009 – Dr. Anne Chauvet of Veterinary Neuro Services was recently honored by Florida Dachshund Rescue for her pro bono treatment of dogs with paralysis and other neurological disorders so they can be placed in permanent homes.

In addition to performing back surgeries and other treatments for rescued Dachshunds, Chauvet, a board-certified veterinary neurologist and neurosurgeon, also adopted Tommy, a paralyzed Dachshund for whom she successfully repaired a ruptured spinal disc. She was presented with a commemorative plaque during an educational session for group members on Sept. 21 in appreciation for her “dedication, kindness and support.”

About Veterinary Neuro Services:

Dr. Anne Chauvet, one of about 150 veterinary neurologists and neurosurgeons in North America, is the founder of Veterinary Neuro Services in Sarasota, Fla. Veterinary Neuro Services treats brain, spinal cord and neuromuscular conditions in animals and is the only strictly neurology and neurosurgery practice on the Gulf Coast. It is located at 3900 Clark Rd., Building M, Unit 4, Sarasota, Fla. More information is available by calling 941-929-1818 or online at www.PetNeuro.com.
